

WORD FROM THE MANAGER

Dear club members, dear tennis fans,

We are coming to the end of a year that brought with it a number of tennis successes, as well as important investments in improving the sporting and social level of our facility. Negotiations on the relationship and contractual terms with the new management of the Czech Tennis Federation will bring us a significant increase in the club's budget, which will have to be compensated in the revenue component. At the election general meeting, the members decided on two changes in the club committee, with long-time members ing. Pavel Hutka and ing. Petr Kuchár were replaced by JUDr. Tomáš Havel and Mgr. Václav Kučera. Both outgoing committee members deserve a big thank you not only for their work on the committee but also for their years of sponsorship support.

In particular, Karolína Muchová and Markéta Vondroušová held the banner of competitive tennis at the highest level, because they achieved extraordinary success despite major health complications. Both had to undergo challenging surgery during the year, which made Karolína's semi-final at the US Open and Markéta's quarter-final at Roland Garros, among other things, all the more valuable.

The new two hard-surfaced courts, now covered for the winter with a newly acquired double-hall, will surely please not only the competitive tennis players, but also other club members. In addition, new boards for all the triple-hall courts were purchased and major design changes were made in the lobby area near the reception and club room. I can promise that we are already preparing the improvement of the terrace area by the club restaurant.

In conclusion, I wish you a Merry Christmas, good health and success in 2025 and I look forward to seeing you at many more tennis events.

Vladislav Šavrdá, general manager of the club
